

> BLACKBOX™ RACK MOUNT CASES

These lightweight, compact, and double ended cases offer light to medium duty protection and boast significantly better light duty shock performance than the competition. The use of recycled materials in the shell and a sturdy steel frame offer great value while upholding Peli-Hardigg's industry-leading standards. When you need to be cost-conscious but can't sacrifice performance, BlackBox is the answer.

- 24" (61 cm) Rugged steel rack frame with 10-32 threads designed to meet ANSI/EIA 310-C
- Rack designed for applications up to 100 lbs. (45 kg) of equipment with a typical fragility rating of 40-80 G.
- Shock mounts provide 2" (5.1cm) of sway space to isolate equipment
- 2" (5.1cm) lid and 5" (12.7cm) lid with edge casters

> MEET THE OTHER HALF OF PELI

The same durability and ingenuity built into every Peli Case also sets our torches apart. We're illuminating the world's darkest and most dangerous places with specialised lighting tools:

- Safety approved lights for hazardous areas
- Tactical lights for military and law enforcement
- Specialised lights for fire and rescue operations
- Submersible lights for diving

DISTRIBUTED BY:

> LARGE, X-LARGE, XX-LARGE RUGGEDIZED SHIPPING CASES

Transport and protect big equipment in our Large, X-Large, or XX-Large Ruggedized Shipping Cases. These cases are lightweight, shockproof, watertight, dustproof, heat and chemical-resistant, which makes them extremely tough. Ultimate protection that will move your equipment from point A to point B without a scratch.

> SPECIALTY PRODUCTS

Our specialty products are well engineered portable workspace solutions. These specialty products range from portable desks that set up in minutes to storage chests with metal drawers and dividers to keep all your supplies safe and organised. For protecting personal gear, our footlockers and trunklockers are lightweight and lockable. Whatever your need, whatever the environment, we have a durable solution to keep the job moving along.
